

Our Impact Is Greater When We Give Together

Valued Newman Warrior Families and Friends,

We are excited to share with you the **Newman Challenge** for **North Texas Giving Day, September 19th**. Each campus set their goal to raise money to help with our transportation and technology needs. We are inviting you to join the challenge and help Newman Warriors raise funds for a bus/van(s) and computers/technology.

We have an **incentive for our students** to achieve their campus goal: When the campus goal is met, the students will receive **One Week of Fashion Friday Dress** – no uniforms for a whole week – campus wide (that means no uniform laundry for a week)!!

Of course, the greatest prize is acquiring the transportation and technology needed to benefit Newman students.

We ask you to join the challenge and reach out to friends, family, business contacts and donors to help reach our goal by giving on **September 19**, during **North Texas Giving Day**. You can even ask those you know to match your donation. Can you imagine the amount we can raise when we all work together - **every Campus** reaching their goal! We look forward to seeing your name at the **finish line September 19th**!

Schedule Your Donation:

Beginning today, September 9th, you can schedule your donation. That means you can pledge your donation NOW!!! If you are busy on the 19th and think that you may forget to donate, this is the perfect way to give. Pledge your donation now and it will automatically be placed on North Texas Giving Day (9-19-19)!!

Just follow the links below to visit the campus of your choice to give!!
