

Inter-local contractual payments must fairly compensate the party who performs the services or functions under the contract. In addition, the parties to an inter-local contract may create an administrative agency or designate an existing local government to supervise the performance of the contract. Consequently, the agency or designated local government can employ personnel, perform administrative activities and provide administrative services necessary to perform the inter-local contract. (Government Code 791.011-791.025)
