Dear Newman Academy Parents,

At Newman International Academy, we are committed to doing all we can to keep staff and students healthy and safe. If your child needs to have a COVID-19 test performed, below are some options for testing locally:

- The state has an [interactive map](#) that is updated daily and lists statewide COVID-19 testing sites.
- Free testing is available on a limited basis at some of the following locations:
 - o [Tarrant County](#)
 - o [Dallas County](#)
 - o [Nationwide](#)

This [link](#) will also help you identify vaccine availability, as well as therapeutic providers throughout Texas, should those be necessary.

We encourage you not to use your local hospital emergency room for this purpose, which can cause additional burdens on the hospital system during a challenging time, and instead use one of the local options listed above.

Thank you again for helping keep our students and community safe.

Sincerely,

Newman Administration
